

Bio Poems

Cinderella

Patient, hopeful, kind

Step daughter of the evil stepmother

Who loves her fairy godmother, dancing, and wearing glass slippers

Who feels sad because she had lost her father, overworked by her step family, and excited to be the new princess

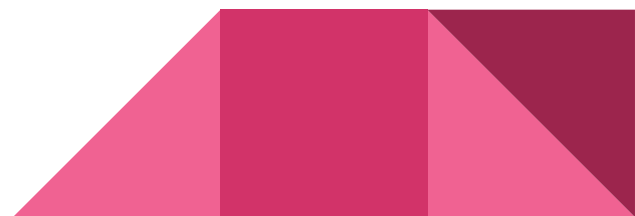

Who fears being home after midnight and never finding her prince charming

Who created a clean house, and a better kingdom for all of her subjects

Who wanted to go to the ball and to find her true love

Lived in the kingdom of Prince Charming

Charming

Robinson

Determined, long-winded, resourceful

Son of a disapproving father

Who loved sailing, adventures to the unknown, and his servant Friday

Who experienced loneliness, helplessness as he could not escape the island, and pride in his self-sufficiency

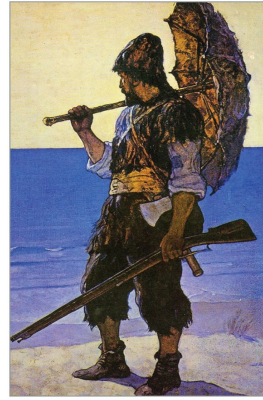

Who fears cannibals and human contact

Who created an umbrella, clay pots, and two separate habitations

Who wanted to sail around the globe and to catalog his experiences on the island

Lived (mostly) on his own island.

Crusoe
